

*Safety begins with us  
Standing up for Workers Safety*

# AMITAVA FIRE SAFETY

# BIS 15683 FIRE EXTINGUISHER

## Multipurpose Dry Powder Type (Stored Pressure)

Suitable for class A,B,C & D Fires involving Combustible material like wood paper, cloth Flammable Gas Liquid Petrol, Paints Solvents & Electricity Started Fires & All Classes of Fires

## Water Type Fire Extinguisher (Stored Pressure)

Suitable for class A Fires involving Combustible material of Organic Nature such as Wood, Paper, Textile, Jute & Many other goods etc.,

## Dry Chemical Powder Type Fire Extinguisher (Stored Pressure)/ Gas Cartridge

Suitable for Class B & C Fires involving Flammable material like Liquid Petroleum Products, Flammable Gases. Also Works effectively and Rapidly on plastics & Electrical Fires.

## M/Foam (AFFF) Type Fire Extinguisher (Stored Pressure)/ Gas Cartridge

Advanced in Foam Technology

Suitable for Class A & B Fires involving Flammable Liquid, Petroleum Products or Where the blanketing effect is essential.

## Clean Agent(FK 5-1-12/ Novec123 UL Listed Gas) Type Fire Extinguisher(CE Approved)

Suitable for Class A,B, C & D Fires Involving Combustible Material like Wood, Paper, Cloth, Flammable Gas liquid Petrol, Paints Solvents & Electricity started Fires & All Classes of Fires.

## Carbon-Di-Oxide Fire Extinguisher Portable/ Mobile Model

Suitable for class B Fires involving material like Fabric, Oil, Gases, Electric & Delicate Machineries.

## Kitchen Type Fire Extinguisher

(Imported from SRI Malaysia)

Suitable for class A,B,C K Type Fires

## W/CO<sub>2</sub> Type Fire Extinguisher

CO<sub>2</sub> Gas Pressure & Gas Cartridge

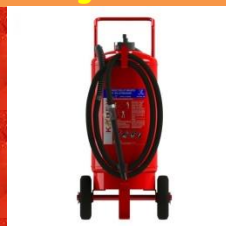

Suitable for class A Fires involving Combustible material of Organic Nature such as Wood, Paper, Textile, Jute & Many other goods etc.,

## DCP (Trolley) Type Fire Extinguisher

Suitable for Class B & C Fires Involving Flammable material like Liquid Petroleum Products, Flammable Gases. Also works effectively and Rapidly on Plastic & Electrical Fires.

Also available in ABC Powder

## Modular Automatic BC/ABC Dry Chemical Powder

Suitable for all Classes of Fire.

# PERSONAL PROTECTIVE EQUIPMENTS

## HEAD PROTECTION

HELMET NAPE
